Hey, what do you want me to pay attention to?

Attention

For parents/guardians, please be sure to read this.

- There are small parts such as a button battery (CR2032). Never put it in your mouth. There is a sudden danger. • Please never give this to children under 3 years old as there is a risk of accidental ingestion.
- Button batteries (CR2032) are dangerous if swallowed. Please throw away the replaced button battery (CR2032) immediately. If swallowed, consult a doctor immediately.
- Parents should replace the button battery (CR2032). 《If batteries are used incorrectly, they may explode, explode, or leak. Please note the following》
 - Please set + (brass/minus) correctly.
- Do not short-circuit, charge, disassemble, heat, or put into fire. • If battery leaks into your eyes, immediately wash them with plenty of water and consult a doctor. When it gets on your face please wash with water.
- Do not wrap the ball chain around your fingers. It's dangerous because the blood doesn't flow.
- After playing, be sure to store it in a place where it cannot be touched by children under 3 years of age.

- (Precautions for use)
- Please read the "Instruction Manual" carefully before playing.
 - Product The transparent cover is a packaging material and should be discarded immediately after opening.
 - Constructed of precision electronic parts. Do not drop it, get it wet, get it dirty, or disassemble it.
 - Avoid using or storing in high temperatures or places subject to high temperatures.
 - Be sure to read the instruction manual when replacing the battery. Also, dispose of used batteries according to their own disposal procedures.
 - Please discard it. ○ The included button battery is for testing purposes only. If the screen becomes thin or the size of the cage becomes smaller, replace it with a new one.
 - The figures are coated with a bittering agent to prevent accidental ingestion. Wash your hands thoroughly after playing.
